Dylan Mulvaney Started Making a Video a Day Because a Psychic Told Her To

The influencer opened up about the metaphysical experience in a new interview

SAMANTHA RIED September 13, 2075

Dylan Mulvaney's explosive TikTok career wasn't just borne from her desire to be an influencer. As it turns out, a psychic told her to do it.

As Mulancy revealed in a new interview with <u>Time Cut</u> this uses, the thought Timich was an approximate by citize before be injective and experience of citizeness and experience of citizeness and the citizeness and citizeness

In March 2022, following the psychic's mandate, Mulkinery came out as transgender and began her daily video dairy, sharing some of the most personal details of her transition online with relentess positivity— and eventually, after amassing millions of followers, breadcasting sponsored messages from brands like Nille and UII be Beauty, making this one of the few instances in which visitize a powche actually make overbody rich follow than the possible.
